

THE HONORS TRANSFER COUNCIL OF CALIFORNIA
OUTSTANDING ABSTRACT AWARD

Awards will be granted for the finest competition abstracts submitted for consideration to the scholarship committee. The first-place winner will receive the prestigious Director's Scholarship. The top abstracts (up to five) remaining in contention will be granted the coveted Outstanding Abstract Award. Students presenting an oral presentation or performance at the conference and following the instructions below are eligible for Outstanding Abstract Awards. Outstanding Abstract submissions may not be based on poster presentations.

Presentation of these awards will be made at the closing ceremonies of the conference.
